VIRTUALLYEDU COURSES

The VIRTUALLYEDU programme is built around 10 interactive courses that guide participants through the key dimensions of digital learning, online communication, safety, and collaboration.

The 10 interactive courses are:

- Introduction to Digital Learning Ecology
- Getting to Know Digital Tools
- Online Safety & Cyberbullying
- Active Listening & Memory Work
- Multiliteracy & Social Media Safety
- Bottom-Up Approach in Online Learning
- Success & Failure in Performance-Based Assessment
- Personalised Digital Learning & Online Exposure
- Virtual Learning & Multimodal Meaning
- Inductive Online Learning

PROJECT OBJECTIVE

VIRTUALLYEDU empowers students and young people across ***Europe and Eastern Neighbourhood countries*** through virtual exchanges, digital skills development, and intercultural collaboration. The programme strengthens ***digital literacy, online safety*** and ***raise the cultural awareness*** that participants gain through the attendance of the specially designed courses.

Co-funded by the European Union

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

HOW THE VIRTUAL EXCHANGES WORK

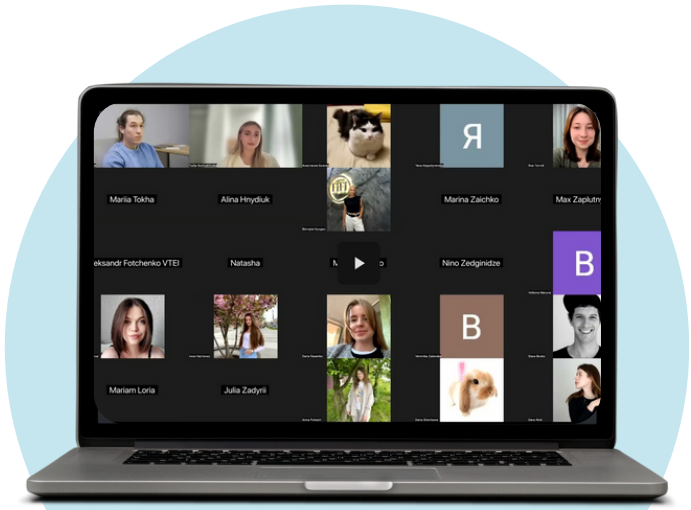
The virtual exchanges are organised in small multicultural groups. Participants meet twice a week online and complete activities from ***10 interactive courses*** covering digital skills, ***online safety, multimodal communication, and collaborative learning.***

The sessions are lead by the facilitators from ***Sweden, Greece, Georgia, Armenia*** to deliver the digital learning experience.

Each cycle includes:

- Guided facilitator-led sessions
- Offline teamwork
- Mini-assignments
- Participation in the Digital Hackathon

At the end of the cycle, teams join the ***Digital Hackathon, Virtual World Café*** and ***Cultural Activities*** to celebrate their learning and exchange experiences.



Registration for Next Circle of Exhanges

While the students are completing the 3rd cycle of the exchanges, we are pleased to welcome you to the registration for ***the 4th cycle starting in March***

Stay updated on all developments and announcements by following our social media pages.

Why join the Virtual Exchanges?

- Introduce participants to different cultures.
- Enhance knowledge in cybersecurity and vital digital skills.
- Combine theoretical knowledge with practical input.
- Participate in an exciting Digital Hackathon session.
- Winning teams will receive certificates and awards.
